INCREASING ACCESS TO TELECOMMUNICATIONS AND INFORMATION AND COMMUNICATION TECHNOLOGIES THROUGH STRENGTHENING OF THE INTER-AMERICAN TELECOMMUNICATION COMMISSION

(Adopted at the fourth plenary session, held on June 7, 2011)

THE GENERAL ASSEMBLY,

CONSIDERING that broad access to telecommunications and information and communication technologies (ICTs) is essential for promoting sustainable development, poverty alleviation, and job creation;

BEARING IN MIND resolution AG/RES. 2545 (XL-O/10), “Promotion by the Inter-American Telecommunication Commission (CITEL) of Cooperation for the Development and Dissemination of Information and Communication Technologies in the Americas,” which “urges CITEL to continue coordinating efforts to harmonize, develop, and improve telecommunication/ICTs and to continue to provide a platform where policymakers, regulators, private sector representatives, researchers, academics, and other interested parties can exchange views, experiences, and best practices in this area that contribute to promoting the inclusion of the countries of the region in the Information and Knowledge-based Society”; and

EMPHASIZING that the International Telecommunication Union (ITU) World Telecommunication Development Conference 2010 included “among the high priorities of ITU support for initiatives under the ‘Agenda for Connectivity in the Americas,’ recommending the use of mechanisms to help to achieve the necessary results for each country and region, and promote the exchange of information on the development of connectivity activities globally”; and

RECOGNIZING:

That the Inter-American Telecommunication Commission (CITEL) is the principal platform in the Americas where member states and the private sector meet to discuss key telecommunication and ICT issues and to develop Inter-American Proposals (IAPs) for their submission at key conferences of the ITU;

That the harmonious and balanced development of telecommunications infrastructure is beneficial for both developed and developing countries;

That it is necessary to coordinate efforts and develop partnerships with diverse stakeholders, including the private sector, in order to ensure harmonious and balanced development of telecommunications infrastructure at the national and regional level in the Hemisphere;

That there is a need to continue promoting training programs at the national and regional level to generate expertise on new telecommunication technologies and the corresponding policy and strategy matters; and

That, in the context of the financial situation of the Organization of American States (OAS), member states commend the important efforts of CITEL to rationalize its operations in order to optimize the use of financial resources and encourage CITEL to continue these efforts, to the extent possible,
without detriment to its mandates and core competencies, in accordance with resolutions AG/RES. 2545 (XL-O/10) and AG/RES. 2546 (XL-O/10),

RESOLVES:

1. To renew its call on the Inter-American Telecommunication Commission (CITEL) to continue to collaborate closely with member states in order to exchange best practices on policy, technologies, and national strategies on telecommunications/ICTs and to promote even more vigorously the use of all appropriate media to serve rural, isolated, and underserved areas.

2. To invite CITEL to continue its efforts at rationalizing its operations in accordance with its mandate and core competencies.

3. To instruct CITEL to continue to promote human capacity building in the region in different aspects of the telecommunication/ICT sector, allocating the necessary budget funds for that purpose.

4. To urge member states to identify ways and means to support CITEL in fulfilling its mandates, including mechanisms to encourage their increased participation and that of all stakeholders, including the private sector.

5. To instruct the Secretary General to continue to support CITEL, in order to facilitate the comprehensive fulfillment of its mandates.
AG/RES. 1 (XLII-E/11)

PROGRAM-BUDGET OF THE REGULAR FUND OF THE ORGANIZATION FOR 2012 AND CONTRIBUTIONS TO FEMCIDI

(Adopted at the plenary session, held on October 31, 2011 and subject to revision by the Style Committee)

THE GENERAL ASSEMBLY,

TAKING INTO ACCOUNT:

That resolution AG/RES. 2696 (XL1-O/11) established the overall budget level of the program-budget for the Regular Fund for 2012, including the cost-of-living and inflation adjustment, at US$85,350,800; and

That said resolution also set the quotas with which the member states will finance the Regular Fund of the Organization for the year 2012;

HAVING SEEN:

The proposed program-budget of the Organization of American States (OAS) for fiscal year 2012, forwarded by the Secretary General to the Permanent Council on August 11, 2011 (CP/doc.4657/11), and its updates, with an overall Regular Fund budget level of US$85,298,200;

The annual report of the Board of External Auditors (CP/doc.4555/11), presented to the Permanent Council on May 4, 2011;

CONSIDERING:

That, in accordance with Articles 54 and 55 of the Charter of the Organization of American States, the General Assembly approves the program-budget of the Organization and establishes the basis for setting the quota that each government is to contribute to the maintenance of the Organization, taking into account the respective countries’ ability to pay and their determination to contribute in an equitable manner;

That, in accordance with Article 60.b of the OAS Charter, the Chair of the Committee on Administrative and Budgetary Affairs (CAAP) transmitted to the Permanent Council a report on the proposed program-budget of the Organization for 2012 (CP/CAAP-3142/11), which was forwarded to the General Assembly;

That the General Assembly, in resolution AG/RES. 1 (XXXVI-E/08) rev. 1, instructed the Permanent Council to conduct a thorough review of all resources and expenditures of the Organization in the context of existing mandates, in order to prioritize and optimize the use of resources for future program-budgets, within the capacity of the member states to finance them;

That, pursuant to said mandate, the CAAP decided to develop the so-called “General Process of the OAS Program Review” (CP/CAAP-2988/09 rev. 3), the purpose of which is to provide the Permanent Council and the General Assembly with a set of recommendations that would serve as input for those
bodies to define, among other aspects, the priorities for action by the member states, so as to enable a financially sustainable OAS over the long term. That process is now underway; and

That, pursuant to the salary policy of parity with the United Nations established in resolution AG/RES. 1319 (XXV-O/95) and Article 40 of the General Standards to Govern the Operations of the General Secretariat of the Organization of American States (General Standards), in 2011 the Secretary General adjusted the General Secretariat’s basic salary scales and increased the post adjustment for the Washington, D.C., area;

RECALLING:

The address of the Secretary General to the Permanent Council in December 2005, in which human rights, democracy and good governance, integral development, and multidimensional security were posited as priority areas of the Organization; and that these have since been recognized as “the four pillars” of the Organization; and

The presentation by the Secretary General on the situation of the 2011 budget in which he proposed to increase the efficiency of the scholarship program on the premise that “the number of scholarships per country and their quality will not be reduced,” reiterating the commitment to “increase the existing fund through a vigorous search for external financing”;

NOTING THAT:

At its thirty-fourth special session, the General Assembly, through resolution AG/RES. 1 (XXXIV-E/07), approved the methodology for calculating the scale of quota assessments to finance the Regular Fund of the Organization; and

According to the method established by resolution AG/RES. 1 (XXXIV-E/07), the quotas of the member states were recalculated for the years 2012 to 2014, as reflected in resolution AG/RES. 2696 (XLI-O/11), which adopted the Financing of the 2012 Program-Budget of the Organization; and

BEARING IN MIND:

That, under Article 12.d of the General Standards, “[i]t is the responsibility of the Secretary General … [t]o redistribute the functions of existing dependencies, incorporating some into others or dividing or subdividing them, whenever necessary for the greater efficiency of the services and better execution of the programs, provided that no increase in the expenditures budgeted for those services or programs is involved” and that the Secretary General is to exercise this authority in accordance with these General Standards and the budgetary provisions established by the General Assembly;

That Article 120 of the OAS Charter stipulates that “[i]n selecting the personnel of the General Secretariat, first consideration shall be given to efficiency, competence, and integrity; but at the same time, in the recruitment of personnel of all ranks, importance shall be given to the necessity of obtaining as wide a geographic representation as possible”;

That the Secretary General is urged to continue his work to implement policies of gender equity and equality in the workplace and to make each manager accountable for the application of these policies; and
That it is important to maintain a culture and practice of austerity, efficiency, accountability, effectiveness, transparency, and prudence in the use, execution, and management of the Organization’s resources,

RESOLVES:

To instruct the General Secretariat to present to the Committee on Administrative and Budgetary Affairs (CAAP) no later than November 30, 2011, a schedule with specific dates for presentation of the reports, strategies, and plans mentioned in this resolution, such that the member states will be able to corroborate in a timely fashion the information provided and follow up effectively on fulfillment of the mandates and budget execution of the Regular Fund and the voluntary, specific, trust, and service funds, including indirect cost recovery.

III. PROVISIONS OF AN ADMINISTRATIVE AND BUDGETARY NATURE

A. BUDGETARY AND FINANCIAL PROVISIONS

1. Program-budget for 2013

   a. To instruct the Subcommittee on Administrative and Budgetary Matters of the Preparatory Committee of the General Assembly to consider a proposal to be referred to the General Assembly, at its forty-second regular session, to be held in July 2012, to establish the overall budget level and the sources of financing for the 2013 program-budget. Income to finance the 2013 program-budget shall include: quota income, interest and rental income, contributions for technical supervision and administrative support from the Special Multilateral Fund of the Inter-American Council for Integral Development (FEMCIDI) and from trust and specific funds, and all other miscellaneous income. The overall budget level shall include a proposal to cover the cost-of-living and statutory increases.

   b. To convoke a special session of the General Assembly to consider and approve the 2013 program-budget, to be held no later than November 15, 2012.
c. To request the Secretary General, in accordance with the guidelines emanating from the forty-second regular session of the General Assembly, to present the proposed program-budget to the Preparatory Committee for that special session no later than 90 days prior to its opening date, in accordance with Article 90 of the General Standards.

d. The total expenditure on personnel (object 1) should not exceed 64.38 percent of the indicative figure for the 2013 Regular Fund program budget, including any statutory increases that may be required.

e. The Permanent Council shall be authorized to adjust in exceptional circumstances the percentage contained in paragraph III.A.1.d) above, at its discretion and with due advice from the CAAP, in response to changes in economic or financial factors that have an impact on the execution of the Regular Budget.

f. To instruct the General Secretariat to submit to the Permanent Council a study on an appropriate ceiling for personnel expenditures, in the context of the review of the Organization’s general human resources policy, to be presented for consideration by the General Assembly at its next regular session.

2. Management reports and review of program-budget expenditures and financing

a. To reiterate the decision of the General Assembly contained in resolution AG/RES. 1 (XL-E/10):

i. To instruct the Permanent Council to consider the recommendations of the Board of External Auditors, presented in its reports on the financial statements for fiscal years 2009 and 2010 (CP/doc.4555/11), among others, with regard to the need for a periodic adjustment of quota income to the Organization’s expenditure level.

ii. To request the General Secretariat, within 90 days following the end of each fiscal period, to prepare a report containing the following information:

(a) The fiscal year’s actual disbursements for statutory adjustments of staff salaries implemented as a result of the Organization’s use of “smart parity” (as reported in document CP/CAAP-2848/06 corr. 1), in accordance with the recommendations of the International Civil Service Commission.

(b) The variation between actual disbursements as per subparagraph (a) above and estimated costs of statutory adjustments of staff salaries.

(c) Suggestions as to the manner in which to regularly address the financing of the variations between real costs and estimated costs, and the associated risks.
Pursuant to Article 95 of the General Standards, this paragraph shall remain in force after this resolution ceases to be in effect.

b. To request the General Secretariat to present its administrative and financial management reports to the CAAP on a quarterly basis, including an executive summary. These reports are intended to serve as a comprehensive management guide to the strategic allocation of resources and to report on the General Secretariat’s compliance with mandates of the General Assembly that address policies affecting administration and management, as well as to show progress in attaining austerity, efficiency, accountability, effectiveness, transparency, and prudence in the use of the Organization’s resources and to include a follow-up of the recommendations by the Board of External Auditors that indicates which recommendations the Organization has implemented. The reports should include, *inter alia*, the following components:

3. **Indirect cost recovery policy**

To instruct the General Secretariat to continue centralizing indirect cost recovery from the Specific Funds received by the Organization. The General Secretariat shall manage indirect costs through a suitable distribution of central functions and functions performed by the program areas, in order to make the use of recovered funds more efficient. To also request the Office of the Inspector General to audit the indirect cost recovery management.

This provision shall remain in force until amended by the General Assembly.

6. **Strategic planning and evaluation**

To instruct the Secretary General:

a. To provide to member states a detailed report, on an annual basis, regarding the results achieved and the resources allocated for compliance with the mandates of the Organization. This information should be broken down by pillar, responsible area of the General Secretariat, and object of expenditure.
b. To continue, in consultation with the member states and in coordination with the Working Group on the Review of OAS Programs, the implementation of a planning process that identifies strategic objectives, establishes operational results, and aligns programs and projects to the mandates issued by the political bodies. The formulation of strategic objectives to guide the Organization’s planning process will be in keeping with the essential purposes of the Organization as set forth in the Charter of the Organization of American States, and will be adopted in due course by the General Assembly.

c. To continue, in consultation with the member states and in collaboration with the Working Group on the Review of OAS Programs, the evaluation of the Organization’s programs and projects pursuant to the mandates issued by the political bodies and, subsequently, to define and establish the operational results in accordance with the strategic objectives and the alignment process referred to in the previous paragraph, which will be adopted by the General Assembly, taking into account the comparative advantages of the Organization, and to allocate budgetary resources accordingly.

To instruct the Secretary General to comply with Article 21b of said standards, to protect the rights of staff members as required by staff rules and the General Standards. Furthermore, to instruct the Secretary General to submit to the Permanent Council, within the framework established in

8. Offices of the General Secretariat in the Member States

To instruct to the Secretary General to present to the CAAP no later than April 30, 2012, a plan including options to rationalize and reduce the overall costs to the Regular Fund of the operations of the Offices of the General Secretariat of the Organization of American States in the member states.

9. OAS Scholarship and Training Program Funds

a. To authorize the General Secretariat to use in 2012 up to US$250,000 of the OAS Scholarship and Training Program for the Fund to finance the OAS Partnerships Program for Education and Training (PAEC). The purpose of this program will be to attract and supplement offers of scholarships by the member states and permanent observers, and by private organizations and universities, in order to increase the number of scholarships offered by the OAS Scholarship and Training Program.

b. The PAEC will be administered in accordance with the provisions of the respective cooperation agreement and in line with the principles set forth in the Manual of Procedures for the OAS Scholarship and Training Program and, where possible, the mechanisms established therein, without prejudice to the institution administering all or part of the Program.
c. To urge the General Secretariat to explore, through its Department of Human Development, Education, and Culture, other financing mechanisms for expanding opportunities to access technical and higher education through loans or loan guarantees financed with resources other than those of the Regular Fund.

10. Foundations created by the General Secretariat

a. To confirm that the General Secretariat of the OAS supports and participates in the Trust for the Americas, the Young Americas Business Trust, and the Pan American Development Foundation, and that the establishment of other initiatives will follow the procedures set by the Organization.

b. To underscore that those foundations established by the General Secretariat must also observe a culture and practice of austerity, effectiveness, accountability, efficiency, transparency, and prudence in the use, execution, and management of said resources, and must provide regular financial reporting on the use of resources, no less frequently than once per quarter, to the Department of Financial and Administrative Management Services (DFAMS).
